Note:

- *these materials are included as part of the course, and you will NOT receive a discount on your course registration if you already own any or all of them.*
 - *The PMBOK is not provided as part of the class, but we can provide it during class (40 euros)*
4. **EXTRA Materials** In addition to Rita's complete PMP Exam Prep System, these courses include extra materials not available to the general public.
 5. **Instruction** The courses use **accelerated learning techniques**. Expert project managers who are also expert trainers teach our courses! We hear, "This was the best class I have EVER attended on ANY topic!"
 6. **EXTRA Instruction** RMC is excited to offer free web-based instruction with this class, offering up to two extra hours of material to help those who wish to get a jump start on their learning. This program includes additional mandatory work on the topic of Procurement. Reviewing this material prior to class is BIG HELP in making sure participants are not left behind during class. After completing the Procurement work, participants are encouraged to bring any questions they may have to class.
 7. **Innovative Learning Techniques** Games, exercises, case studies and other tools to help you understand—NOT MEMORIZE—the concepts necessary to pass the PMP exam.
 8. **Experience** RMC is not a newcomer to PMP® exam prep training. We have helped thousands of people get ready for the exam over the last 14 years.
 9. **PMI® Registered Provider** RMC is a Registered Education Provider with PMI. Many PMI® chapters who want expert instruction and the best material have also selected this course. You can't get any better than that!

Course Learning Objectives

At the end of this course you will be able to:

- Pass the PMP® Exam offered by the Project Management Institute, with full confidence
- Identify gaps in your knowledge that may hurt you on the exam
- Be more comfortable with the types of questions you will see on the exam
- Use tips to pass the exam that have been used successfully by thousands of people
- Utilize your personalized test taking strategy
- Apply project management techniques useful in the real world
- Be a better project manager

Why Take Our Courses?

Let's get right to the point. Imagine what the class designed by Rita Mulcahy, PMP, one of the world's experts on the PMP® exam, might be like. Here are some reasons

1. Whereas others spend days walking you through the inputs and outputs of the PMBOK® Guide, we will show you how to understand them in only minutes. Then watch how you immediately get 80 to 100 percent of sample questions right.
2. Rather than making you endure days of memorization, we help you understand and learn.
3. You will utilize the best-selling materials available to pass the PMP® exam—including Rita's book, *PMP® Exam Prep*. You will also gain access to study materials not otherwise available to the general public.
4. You will learn the reasons why others fail the exam and how to avoid these critical mistakes.
5. You will learn topics that are on the exam but are NOT in the PMBOK® Guide, as well as, reasons why others fail the exam and how to avoid these critical mistakes.
6. You will learn to be a better project manager in the process of studying for the exam.
7. You will understand how to analyze and answer the most difficult questions on the exam, and quickly tackle situational questions that seemingly have more than one correct answer.
8. You will discover what you know, as well as what you do NOT know. The courses will assist you in finding and documenting the gaps in your knowledge, so you can leave the class knowing exactly what you know, and exactly what you need to work on prior to sitting for the exam

Class Prerequisites

This class might not be for you!

- **Experience** Ensure that you meet PMI's pre-requisites to apply to take the exam AND start to complete or submit your application to PMI The best way to prepare and submit your application is to do so online at PMI's website.
- **Education and Knowledge** Review your basic project management training materials. If you have not had a basic course in project management that you were satisfied with or if you do not know the items below, consider taking our Tricks of the Trade® course first.

This accelerated learning course is designed to help you prepare for the PMP Exam—and gain the most understanding of project management with the least amount of study. This is an intensive exam preparation course **designed to decrease your after-class study time from hundreds of hours to less than 40**. That is 70% less study than is usually necessary with other courses.

Accelerated PMP® Exam Prep Course (4 days)

Course Type:	Certification Exam Prep	Duration:	4 Days – 9 am to 7 pm
Audience:	PMs	PDU:	40
Training Type:	Public or On-site	Fee:	€ 2120 per person

This **intensive** 4-day, **NO** study course is designed to completely prepare you for the PMP exam in a fun and effective manner—**with no required studying after class!** In addition to unique games and activities, there are exercises and techniques designed specifically to increase both learning and knowledge retention, giving students not only the knowledge they need to pass the exam in only four days, but also to become a better project manager—without rote memorization.

Why Take the Accelerated PMP® Exam Prep Course?

Here are some additional Reasons:

9. There is no study required after this class. You will be ready to sit for the exam on the very next day.
10. You will receive individualized help filling your knowledge gaps.
11. You will take computerized exam simulations in class, **SO YOU WILL KNOW** you are ready to sit for the exam—and you will have evidence to prove it.
